

6990 NE 14th STREET * ANKENY IA 50021
PHONE (515)289-2020 * FAX (515) 289-2255

We pride ourselves on professional and timely service!

Special points of interest:

- Raise mowing height to 2 ½"-3"
- Perennials can be divided in overcrowded areas
- Prune spring flowering ornamentals as soon as possible after blooming
- Landscape beds should be getting roughly 1" of water per week if it doesn't rain
- Mulch your beds to help conserve moisture
- Apply selective herbicides when it is cool and the weeds are actively growing
- Begin planning for your summer landscape projects. Call our office to set an appointment with one of our designers

Tree & Shrub Care

Before Pruning

After Pruning

FERTILIZATION

Your trees and shrubs represent a growing investment that's worth protecting. The trees and shrubs around your home are the most valuable part of your landscape. Our program of scheduled inspections and treatments helps to keep all of your ornamentals healthy and in top growing condition. There are hundreds of insects and diseases that can attack and infest your landscapes. Our trained and licensed staff can identify and control these problems before severe damage or plant loss occurs. With ongoing inspections and treatments, we control the insects and disease that can quickly destroy your new and established plants.

PRUNING

Proper pruning enhances the beauty of almost any landscape. Our Staff can refresh your plants to keep your yard looking great! Reason/benefits of pruning: to train the plant to grow in a certain way, to maintain overall plant health, and to improve the quality of flowers, fruit, foliage or stems. Let our trained professionals help to get your landscapes looking their best! Give us a call today to schedule service!

Sharp-N-Lube Mobile Mower Service

Make sure that your mower is up and running great this spring. Let A+ Lawn and Landscape help you get one thing checked off your to-do list and offer you our Sharp-N-Lube Mobile Mower Service. Our technician will come out to your house and perform a 12-point Service inspection on your lawn mower. This service is available for all types from walk-behind to riding lawn mowers. This service includes but is not limited to: change engine oil, sharpen and straighten blades, check belts, and clean the air filter just to name a few all included at one low price. Call the office today to get yours scheduled!!
